Happy Birthday to Don Heckman March 28.

Email News For You That Is Crucial.

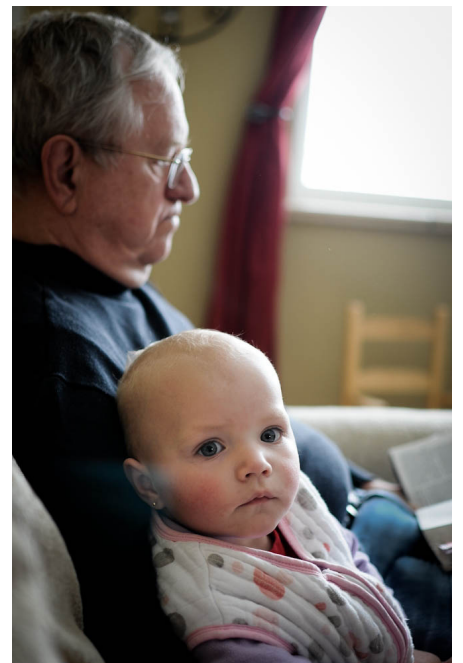

We have to catch up with you, since we have been busily reaching out to ministry with Muslims. Only a billion to go as they come to Christ in remarkable ways.

I write this on my birthday, and so too thousands of Muslims are being born again today. The news media won't write that Muslims are converted into churches in refugee camps by the thousands and even being sent out as missionaries in Jordan, Turkey, Germany, and Sweden.

On our family, we have 7 ½ grand kids, with the 8th being born in Denver of Stephen and Kelly fame in May of this year. Don just returned from India, just below Bhutan, in a narrow isthmus called Nagaland, where I helped train new pastors to Muslims, mostly around 24 year olds. Read that age again!

Teaching in the morning and going out 2x2 in the afternoon. One Muslim woman wanted nothing to do with Christ. But since she was almost blind, the 2 prayed for her and she was totally healed and sighted. So the woman said, Yes, I want to be a Christian and teach me everything I can know to be a Christian. She is now in a Jamaat, or Christian house group church that grows to 20 and then multiplies.

Continued...

Each Jamaat preserves the culture of the ummah or Muslim cultural fellowship but is strictly Christ centered. They planted 128 of these Jamaat Christian house churches over the last months.

Today I witnessed in the market in France to Tashick, a young Algerian man, and asked him, Why do you seek the living (the living Word of God=Jesus) among the dead (Mohammed)? I said, do this: Seek the Living Word at night through visions and during the day by asking for communications from Kalimat d'Allah, Jesus the Word.

In Malta, we learned about an Imam (Islamic teacher) in a closed country that went to a believer's house and repented, ashen, turned white, frightened, because he met Jesus. Note below Grandpa Don with grandson Kai. Love from Don and Evey....thanks for pray and financial support that keeps us on the stretch, with Joy.

And pray, please.

Love, Don and Evey Heckman

How to partner with us?

Write and ask, give, share, and... please pray.

Thanks from Don and Evey Heckman to the Living and to you too!!

"Jamaat" is Arabic for Disciple Making Communities
