IN THE LOOP, HECKMAN NEWS, CELEBRATION, IDEAS: SHARE FREELY PRAY FOR EGYPTIANS CALLED "FIRST" IN THE BIBLE

(Left, couple takes home a leg of beef they bought from the army).

Dear All Followers and Prayer and Support Friends,

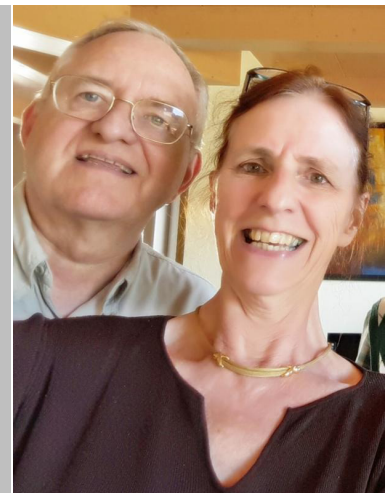

I just returned from Egypt where I met with team leaders and workers who have and are changing the world of the Kingdom of God in hyperbolic levels. I just have to share some of the facts on the ground without revealing sensitive names and places where this is all happening. The evangelistic fervor has taken Egypt by storm, in a country that is 33% Christian, who are mostly ethnic "born in a Christian or Orthodox family and afraid of reaching out to Muslims." Tremendous fear. Pray for them (that is, that ordinary Christians become bullets in the chambers of God almighty.) It is happening.

A picture of Cairo. Walking down the streets are young adult women with no head coverings — these are the traditional so-named Christians. Also present are women, many young women, wearing a scarf, a full hijab or any way to make it clear that they are Muslims. And the two groups seem to interact well together. A city of 17 million people, mostly dirt streets, but new buildings and freeways funded by the government to modernize the nation.

The training is so exemplary that Muslim Background Converts and fearful ethnic Christians are being transformed into powerhouses of boldness, knowledge and action. I've rarely seen the likes. One trainee Egyptian went out to evangelize Muslims. Problem. He sat next to the mosque and on the other side of him was an Imam who was training his 20 disciple/missionaries or "dawah" (to invite) to bring people to Islam forcefully.

Our trained man acted ignorantly/absent-ed, and asked the Imam to explain Mt. 5, the Beatitudes. So the Imam took the Bible and taught Mt. 5 to his dawah missionaries and they wanted more and more. "We've never seen these words. Tell us more." The Imam was honored as the teacher, and brought the Bible to full life that radically changed his followers toward Christ.

Even better, another trainee went to a nearby country and found the Imam late in coming to the Mosque. So he stood up and taught from the New Testament ("Injil") and the spirit fell upon the Imam's inner circle. When the Imam arrived, the town's people arrived from work and the 300 packed into the outer courtyard of the mosque. But they were frozen in the Spirit and couldn't move. Then they heard the message of the New Testament and asked the Imam to read more from the New Testament.

As the Imam admitted that he had a New Testament in his home, the crowd erupted with anger that he had the New Testament but wouldn't share it with members of his mosque. The Muslims in the mosque now want the New Testament because a hyperbolic trained Muslim convert has the strategy and is led of the spirit to enter right into the heart of the Imam.

Egypt is now sending hyperbolic missionaries to many neighboring countries. They are fearless. Converted Muslims are trophies that teach us of the glory of God that I've seen personally. I was there to assess, encourage, share, observe and act as a father to leaders and followers who are thrilled to have me part of their sending mission.

We have flights like this to make to N. Africa and Egypt, in order to shepherd mighty moves and teams of God. You have made it possible to have us make these flights, by your giving. We are cutting back on all but essentials to make the flights happen. Please think of adding a bit extra to shoe horn us into flights and trips where my fathering encouragement is making me strong as well as making key leaders and teams more confident, organized, and prepared before the Lord. My work is your work, and your finances can break the dam of darkness together. I'm giving all I have. Join us. Please and thanks.

"Jamaat" is Arabic for Disciple Making Communities

We reach the scattered North African Muslims all over Europe and beyond? Just to help contribute to Diaspora teams who spend their lives in devoting just all they have to communicate Christ and Him crucified to searching Muslims in deplorable dwellings in Europe.

Thank you, each supporter, who has made my travels as a spiritual father possible by your financial generosity. Each month is a miracle to see support from our dearly committed donor friends, without which we could not minister for one single month. Really.

God's unfailing love,
