All Alone With The Savior People of Generosity

Dear Brothers and Sisters in Christ,

Perfect Timing. As you know, I have cancelled my 5-6 church preaching tour to motivate church members to learn how to love and to adopt an understanding of mostly Muslim Eastern peoples. My cancellation was due to the uncertainty of the Aug-Oct interaction with the Virus recovery.

Simeon, our son living temporarily in Ecuador, and his family of 6, are coming out here to France at the end of August. So my timing is more than ever God's time, on time. Simeon and Eileen Heckman are coming. Wow. We need our family together.

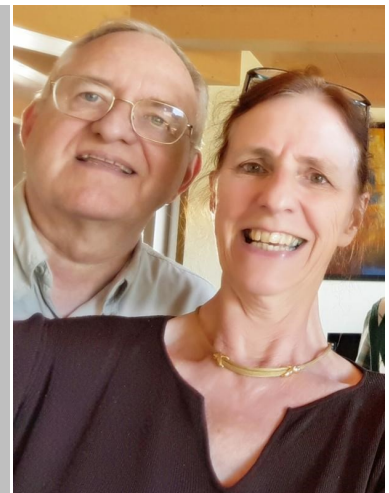

Great news.

I hope to spend a big chunk of time next year in meeting with churches in Minnesota to spend hours with churches in an area where the churches are unaccustomed and reticent to ever care for immigrants and refugees. You know, the old fortress mentality exists. Pray for that to really take off with love and action for the refugee, the immigrant and the mostly Muslim foreigner. Not foreigners any longer.

Thank you, each supporter, who has made my travels as a spiritual father possible by your financial generosity. Each month is a miracle to see support from our dearly committed donor friends, without which we could not minister for one single month. Really.

God's unfailing love,

Don and Evey

Our lockdown is starting to ease, with just face masks worn everywhere. In a month, that too should be a lifted constraint.

Evey has opened doors with a wonderful converted Algerian woman and her husband. Algeria is Muslim as you know. Our Algerian friend can travel back and forth to Algeria. We ate with them and had lamb, the best ever.

Such generous people, as we should be to other ethnic peoples as they are to God's people in their homes . They packed our bags with handmade serving bowls from Algeria, home made food, and so much love. They shared the ups and downs of being from a Muslim Algeria. She and her household grew up there. Imagine that Muslims and other Algerian converts are usually more generous and heartfelt than so many Christians.

We learn from them in their Eastern hospitality culture if we take the challenge. "And in the very place where it was said to them, 'You are not my people,' there they will be called 'sons of the living God.'" Romans 9:26

I liked to be loved by them.
